## COMPETITION AND PUBLIC PROCUREMENT LAW CHALLENGES IN THE HEALTH CARE SECTOR

Conference, September 20-21 2012:

On 20-21 September 2012, [the Research Group on Competition and Market Law](#) at the University of Bergen's Faculty of Law is arranging a conference on Competition and Public Procurement law issues in the health care sector.

The conference forms part of an ongoing research project on "[Competition and market related challenges raised by the modernization of the public sector](#)", financed jointly by the Faculty of Law and the Research Council of Norway.

The conference will bring together several leading national and international Competition, State Aid and Public Procurement law experts to discuss a number of issues concerning the health care sector in the context of their respective fields of expertise.

The selected topics will be addressed by three panels ("Competition law and Health Care", "Financing Health Care under State aid rules" and "Public Procurement & The Health Sector"), from both EU/EEA and Norwegian perspectives.

Several of BECCLE's researchers will be contributing to the two day conference, which will take place at the Scandic Neptun hotel in Bergen.
