8th Competition Law and Economics European Network "CLEEN" Workshop 10 and 11 June 2014 in Norwich, United Kingdom

The current challenges in competition policy and market regulation require detailed assessments not only from an interdisciplinary but also from an international perspective. As of December 2013, the following institutions are members of the CLEEN:

- The Amsterdam Center for Law and Economics (ACLE) at the University of Amsterdam
- The Centre for Competition Policy (CCP) at the University of East Anglia
- The Centre for Market and Public Organisation (CMPO) at the University of Bristol
- The Centre for Information Law at the Hungarian Academy of Sciences, Budapest
- The Mannheim Centre for Competition and Innovation (MaCCI) at the ZEW
- Centre for European Economic Research and the University of Mannheim
- The Max-Planck Institute for Research on Collective Goods, Bonn
- The Robert Schuman Centre for Advanced Studies at the European University Institute, Florence
- The Tilburg Law and Economic Centre at the University of Tilburg

After the successful meeting in Bergen in 2013, the ESRC Centre for Competition Policy is proud to host the 8th CLEEN Workshop.
